

Browsing the Catalog

1.	Enter the desired information into the Panther ID field. Enter a valid value e.g. " 2220222 ".
2.	Enter the desired information into the Password field. Enter a valid value e.g. " 123456 ".
3.	Click the Sign In button. 
4.	Click the Search link. 
5.	Click the browse course catalog link. 
6.	The Browse Course Catalog page is now displayed. The page displays all the courses available in the catalog in alpha order.
7.	Click the scrollbar to view additional courses.
8.	Click the scrollbar to return.
9.	Use the letters across the top of the page to search for courses by first initial. Click the M link. 
10.	To view the detail of a specific course, click the Course Title link. 
11.	The class detail is now displayed.
12.	If you wanted to view the sections offered for this course, you would use the click the view class sections button.
13.	To add this course to your planner, use the add to planner button. Note. The planner is a feature in PantherSoft that allows you to maintain an editable list of classes as you plan the courses you want to take. The Planner feature is only available when <u>browsing</u> for a course. It is not available when doing a course <u>search</u> . For more information on the planner feature, see the "My Planner" topic.
14.	Click the add to planner button. 
15.	Notice the message that says this course has been added to your planner.
16.	Click the Return to Browse Course Catalog link. 
17.	If you did not need to view the course details as we just did, you could select the course here and click the Add to Planner button.
18.	Use the Collapse All and Expand All buttons to collapse or expand the page.

Quick Reference Guide

19.	To navigate to another page in the Student Center, you can click on the appropriate tab.
20.	Congratulations. You have successfully browsed the course catalog. End of Procedure.
