FIU BUSINESS

INTELLIGENCE & ANALYTICS

DATA DICTIONARY

FIU Business Intelligence Data Dictionary

Draft Date: September 15, 2016

A

Academic Plan		An area of study such as a major, as listed in student information system (PS)
Academic Plan Category		The categorization of the plans based on academic plan and academic sub-plan.
Academic Plan Category	FIU 2.0	FTE generating, state funded undergraduate fully-online programs.
Academic Plan Category	FIU 2.0 Lite	FTE generating, state funded graduate fully-online programs.
Academic Plan Category	Hybrid Self-Supporting	FTE generating, state funded undergraduate and graduate programs offered online and in-person.
Academic Plan Category	Market Rate Face-To-Face	Non-FTE generating BOT-approved degrees set at a rate driven by market value/non-FTE degrees set at a rate that covers all costs associated with offering the program. Credit hours generated are non-state fundable and the cost for the program of study recovered from the fees charged to all students.
Academic Plan Category	Market Rate Fully-Online	Fully-online non-FTE generating BOT-approved degrees set at a rate driven by market value/non-FTE degrees set at a rate that covers all costs associated with offering the program. Credit hours generated are non-state fundable and the cost for the program of study recovered from the fees charged to all students.
Academic Plan Category	Other	Program does not belong to an Academic Plan Category.
Academic Plan Category	Self-Supporting Face-To-Face	Non-FTE generating BOT-approved degrees set at a rate driven by market value/non-FTE degrees set at a rate that covers all costs associated with offering the program. Credit hours generated are non-state fundable and the cost for the program of study recovered from the fees charged to all students.
Academic Plan Category	Self-Supporting Fully-Online	Fully-online non-FTE generating BOT-approved degrees set at a rate driven by market value/non-FTE degrees set at a rate that covers all costs associated with offering the program. Credit hours generated are non-state fundable and the cost for the program of study recovered from the fees charged to all students.
Academic Plan Category	Tuition Assessed by Plan	
Academic Structure		College/School, Department, Major, Academic Plan , Sub Plan, CIP Code, Academic Plan Category, Strategic Emphasis Indicator

Academic Subplan		An area of further specialization within academic plan, as listed in student information system (PS). Fully online, self-supporting, or market rate are typically specialized and not categorized only by Academic Plan but by a sub-plan as well.
Academic Year		The time period containing the academic sessions held during consecutive Summer, Fall, and Spring semesters.
Additional Course Details		Course Start and End dates, Budget Entity, CIP Code, Strategic Emphasis Indicator
Additional Degree Details		Budget Entity Code
Additional Enrollee Attributes		Degree Highest Level, Course Load Indicator, GPA Bin
Admission Information		Student Type at Entry and Recent Type of Admission
Admission Status		A code to indicate the type of final admission action.
Admission Status	Admitted	
Admission Status	Cancelled After Admission	
Admission Status	Cancelled Prior to Admission Decision	
Admission Status	Denied	
Admission Status	Provisionally Admitted, is an Exception to Policy	
Admission Status	Provisionally Admitted, not an Exception to Policy	
Admission Status	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Admissions Deposit Indicator		This field has been added to identify if an admissions deposit has been collected.
Admissions Deposit Indicator	Deposit Not Assessed	
Admissions Deposit Indicator	Deposit Not Paid	
Admissions Deposit Indicator	Deposit Paid	
Admissions Deposit Indicator	Deposit Refunded	
Admissions Deposit Indicator	Deposit Waived	
Admissions Deposit Indicator	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Admissions Test Score		Test scores submitted with the application used in admission decision
Admissions Test Score	ACT Composite Score	The ACT Composite score is the average of the English, Math, Reading and Science components.
Admissions Test Score	ACT English	This test component is used in the calculation of the composite ACT score.
Admissions Test Score	ACT Mathematics	This test component is used in the calculation of the composite ACT score.
Admissions Test Score	ACT Reading	This test component is used in the calculation of the composite ACT score.

Admissions Test Score	ACT Science	This test component is used in the calculation of the composite ACT score.
Admissions Test Score	ACT Writing	
Admissions Test Score	Blank Value	
Admissions Test Score	GMAT Composite Score	
Admissions Test Score	GRE Composite Score	The GRE Composite score is the sum of the Verbal and Quantitative components.
Admissions Test Score	GRE Quantitative	This test component is used in the calculation of the composite GRE score.
Admissions Test Score	GRE Verbal	This test component is used in the calculation of the composite GRE score.
Admissions Test Score	LSAT Quantitative	
Admissions Test Score	MCAT Biological Sciences	
Admissions Test Score	MCAT Physical Sciences	
Admissions Test Score	MCAT Verbal Reasoning	
Admissions Test Score	MCAT Writing	
Admissions Test Score	Revised GRE Quantitative	
Admissions Test Score	Revised GRE Verbal	
Admissions Test Score	Revised GRE Writing	
Admissions Test Score	SAT Composite Score	The SAT Composite score is the average of the Quantitative, Verbal and Writing test components.
Admissions Test Score	SAT Essay	
Admissions Test Score	SAT Multiple Choice	
Admissions Test Score	SAT Quantitative	This test component is used in the calculation of the composite SAT score.
Admissions Test Score	SAT Verbal	This test component is used in the calculation of the composite SAT score.
Admissions Test Score	SAT Writing	This test component is used in the calculation of the composite SAT score.
Advising Information		Advisor's biographic information
Applicant Characteristics		Fee Residency, Student Admit Type, Student Classification, Admissions Status, Ethnicity/Race, Gender
Applications Details		Student Type, Admissions Action and deposit, Student Level Code, Student Program Category, etc.

B

Biographic & Demographic		Student's biographic and demographic information
Budget Entity		The Budget Entity Code used in the University Systems to indicate a group of operational units to which resources are assigned

Budget Entity	Auxiliary	
Budget Entity	Board Approved Fees	
Budget Entity	C&G	
Budget Entity	Concession Funds	
Budget Entity	E&G	
Budget Entity	Faculty Practice	
Budget Entity	Health Or Medical Center	
Budget Entity	Intercollegiate Athletics	
Budget Entity	Non Assignable Space	
Budget Entity	Non-SUS	
Budget Entity	Student Activity	
Budget Entity	Student Financial Aid	
Budget Entity	Suspense Fund	
Budget Entity	Technology Fee	
Budget Entity	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.

C

Campus Life Details		Affiliation Information, Student Login Counts
Campus/Location Names		The names of all of the university's physical campuses/ sites as well as VIRTUAL (fully online programs) and Online (students taking fully online courses, but not enrolled in a fully online degree program.)
Campus/Location Names	Biscayne Bay	The Biscayne Bay Campus of Florida International University is located in northeast Miami-Dade County, on 200 acres on the waterfront of Biscayne Bay. It is FIU's second campus.
Campus/Location Names	Downtown Brickell	FIU Downtown on Brickell facility is conveniently located in the heart of Downtown Miami
Campus/Location Names	I75	FIU at I-75 is conveniently located just off of I-75 in the rapidly growing city of Miramar. It's a joint-use facility that also houses Broward College's Miramar West Center.
Campus/Location Names	International	Foreign educational outpost which has been established in a country other than the one where the home (primary) campus exists.
Campus/Location Names	Modesto A. Maidique	The Modesto A. Maidique Campus is Florida International University's first and largest campus located on the western edge of Miami.
Campus/Location Names	Online	Online

Campus/Location Names	Other	Regional Sites - High Schools, Hospitals, etc.
Classification of Instructional Programs (CIP) Code		A classification system established and updated by the US Department of Education. Discipline and sub-discipline instructional programs are assigned a six-digit code that is universally used for classification and reporting.
Cohort Type		Specific group of students based on the TYPE OF STUDENT AT TIME OF MOST RECENT ADMISSION as assigned by the university.
Cohort Type	FL AA Transfer	Students who transferred from the Florida College System with an Associate in Arts Degree
Cohort Type	Florida CC Transfer (Non-AA)	Students who transferred from the Florida College System without an Associate in Arts Degree.
Cohort Type	FTIC	For the purposes of this regulation, FTIC freshmen are defined as students who have earned a standard high school diploma from a Florida public or regionally accredited high school, or its equivalent, and who have earned fewer than twelve (12) semester hours of transferable college credit since receiving a standard high school diploma or its equivalent.
Cohort Type	Other Transfer	Includes all other undergraduate transfers (i.e. transfers from private or foreign institution)
Cohort Type	Unclassified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Cohort Year		A retention cohort year is defined as the fall, spring, and summer terms. Students selected for inclusion within each Cohort Year are based on the following rule: DATE MOST RECENT ADMISSION equals REPORTING TIME FRAME.
Cohort Year	YYYY	A year is measured differently in retention and graduation data than the standard academic year (of summer, fall, spring).
College/School		Educational/Academic group within the university
College/School	Chaplin School of Hospitality and Tourism Management	Academic Group home of the following Academic unit: Hospitality Management
College/School	College of Arts, Science and Education	Academic Group home of the following Academic units: School of Environment, Arts & Society , School of Education and Human Development and School of Integrated Science & Humanity
College/School	College of Business	Academic Group home of the following Academic units: School of Accounting, Alvah H. Chapman Jr, Graduate School of Business and R. Kirk Landon Undergraduate School of Business
College/School	College of Communication, Architecture and The Arts	Academic group home of the following Academic units: Architecture, Interior Architecture, Landscape Architecture & Environmental and Urban Design, Art & Art History, Communication Arts, School of Music and Theatre

College/School	College of Engineering & Computing	Academic Group home of the following Academic units: Engineering, School of Computing and Information Sciences and OHL School of Construction
College/School	College of Law	Academic Group home of the following Academic unit: Law
College/School	Green School of International and Public Affairs	Academic Group home of the following Academic departments: Criminal Justice, Economics, Global & Sociocultural Studies, History, Modern Languages, Politics and International Relations, Public Administration and Religious Studies
College/School	Other	Refers to students not included in a specific group based on selected filter (i.e. non degree seeking students, dual enrolled, Military Science, etc.)
College/School	Stempel College of Public Health & Social Work	Academic group home of the following Academic units: Biostatistics, Dietetics and Nutrition, Environmental and Occupational Health, Epidemiology, Health Policy and Management, Health Promotion and Disease Prevention and School of Social Work
College/School	Wertheim College of Medicine	Academic Group home of the following Academic units: Medicine, Biomedical Sciences and Physician Studies
College/School	Wertheim College of Nursing & Health Sciences	Academic group home of the following Academic units: Athletic Training, Communication Sciences & Disorders, Health Services Administration, Nursing, Occupational Therapy and Physical Therapy
Continuing Education Indicator		Indicates students in continuing education program
Continuing Education Indicator	Market Rate/Self-Supported	Non-FTE generating BOT-approved degrees set at a rate driven by market-value/non-FTE degrees set at a rate that covers all costs associated with offering the program. Credit hours generated are non-state fundable and the cost for the program of study recovered from the fees charged to all students.
Continuing Education Indicator	Non-Continuing Education	FTE generating, state funded.
Countries		List of countries.
Course Campus		Determined by the academic organization that scheduled the course.
Course Characteristics		See Course Information
Course CIP		CIP descriptor of the course.
Course Information		Course and Course Schedule such as Subject, Catalog Number, Campus, Location, Instruction Mode
Course Level		The classification of the course as it applies to the allocation of resources within the State University System.
Course Level	Graduate I	Includes courses with a 5, 6, 7 or 8 as the first digit of Common Course Number and are required to attain a Master's or the 5-year Specialist degree
Course Level	Graduate II	Includes courses with a 5, 6, 7 or 8 as the first digit of Common Course Number and are required to attain a Doctoral degree.

Course Level	Graduate III	Includes course with 5, 6, 7 or 8 as the first digit of the Common Course Number and are required to attain a Medical Professional degree.
Course Level	Lower	Includes courses with a 0, 1, or 2 as the first digit of Common Course Number
Course Level	Remedial	Remedial Level Student's Course Number is less than 1000
Course Level	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Course Level	Upper	Includes courses with a 3 or 4 as the first digit of Common Course Number
Course Load		A student's course load is defined by the number of credit hours that the student is enrolled in per semester.
Course Load Indicator		An indicator which establishes the student as either full or part time.
Course Load Indicator	Full-Time	A graduate student enrolled for 9 or more semester credit hours in a term, or an undergraduate student enrolled for 12 or more semester credit hours in a term.
Course Load Indicator	Full-Time	A graduate student enrolled for 9 or more semester hours, an undergraduate enrolled for 12 or more credit hours
Course Load Indicator	Part-Time	A graduate student enrolled for less than 9 semester credit hours in a term, or an undergraduate student enrolled for less than 12 semester credit hours in a term.
Course Load Indicator	Part-Time	A graduate student enrolled for less than 9 semester credit hours in a term, or an undergraduate student enrolled for less than 12 semester credit hours in a term
Course Load Indicator	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Course Load Indicator		Determines if the student Is enrolled full-time or part-time.
Course Section Type Code		Course component as defined in the University System.
Course Section Type Code	Class Lecture	
Course Section Type Code	Correspondence Study Course	
Course Section Type Code	Directed Individual Study	
Course Section Type Code	Graduate Dissertation	
Course Section Type Code	Graduate Thesis	
Course Section Type Code	Individual Performance Instruction	
Course Section Type Code	Internships	
Course Section Type Code	Laboratory	
Course Section Type Code	Medical Clinical Professional	
Course Section Type Code	Not Reported	
Course Section Type Code	Other	
Course Section Type Code	Supervised Research	

Course Section Type Code	Supervised Teaching	
Course Section Type Code	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Credit Hours		Section Credit Hours Bin, State Fundable Credit Hours Bin
Cumulative GPA		Cumulative institutional grade point average.

D

Degree		An academic title conferred by universities and colleges as an indication of the completion of a course of study, or as an honorary recognition of achievement.
Degree	Advanced Masters	An award that requires the successful completion of a program of study of at least the full-time equivalent of 1 but not more than 2 academic years of work beyond the bachelor's degree.
Degree	Associate Degree	An award that normally requires at least 2 but less than 4 years of full-time equivalent college work.
Degree	Associate in Arts	An award that normally requires at least 2 but less than 4 years of full-time equivalent college work.
Degree	Associate in Science	An award that normally requires at least 2 but less than 4 years of full-time equivalent college work.
Degree	Bachelors	An award that normally requires at least 4 but not more than 5 years of full-time equivalent college-level work.
Degree	Certificate	A formal award certifying the satisfactory completion of a postsecondary education program.
Degree	College-Ready High School Diploma	High School Diploma
Degree	Doctorate	A Ph.D. or other doctor's degree that requires advanced work beyond the master's level.
Degree	First Professional	A doctoral degree that is conferred upon completion of a program providing the knowledge and skills for the recognition, credential, or license required for professional practice - Law, Medicine, Physical Therapy and Nursing Practice
Degree	GED	High School equivalency
Degree	High School Diploma	High School Diploma
Degree	Law, LLB or JD	A Professional who practice law.
Degree	Masters	An award that requires the successful completion of a program of study of at least the full-time equivalent of 1 but not more than 2 academic years of work beyond the bachelor's degree.
Degree	Medicine, MD	An award that requires the successful completion of a Medicine program of study.
Degree	No Degree	No Degree

Degree	Not Reported	Degree information was not reported.
Degree	Other	Other
Degree	Pharmacy (PharmD)	A professional who practices in the field of health sciences focusing on safe and effective medication use.
Degree	Specialist	Graduate degree awarded above a masters level
Degree	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Degree	Veterinary Medicine, DVM	A Professional who practices veterinary medicine by treating disease, disorder, and injury in animals.
Degree Bin		A categorization of the degrees by their academic level.
Degree Bin	Associates	Associate in Arts, Associate in Science, Associates Degree
Degree Bin	Bachelors	Bachelors
Degree Bin	Certificate	Certificate
Degree Bin	High School Level	GED, College-Ready High School Diploma, High School Diploma
Degree Bin	Masters	Masters, Advanced Masters
Degree Bin	Non-Degree	Other, No Degree
Degree Bin	Professional Doctoral	First Professional, Law, Medicine, Pharmacy, Veterinary Medicine, Doctoral
Degree Bin	Research Doctoral	Doctorate
Degree Bin	Specialist	Specialist
Degree Budget Entity		See Budget Entity.
Degree Granted		The level of degree awarded based on a successful completion of the student's current degree program. See the Degree definition for additional details.
Degree Seeking Status		Students who have been admitted to a degree program.
Degree Seeking Status	Graduate	Students who have been admitted to a graduate degree program (masters/doctoral), but have not completed the requirements for the degree.
Degree Seeking Status	Non-Degree	students enrolled but not admitted or seeking a formal degree. May include (1) Graduate Certificate students; (2) Advanced Diploma students; (3) students affiliated with a College or School; (4) unaffiliated students; or Dual Enrollment
Degree Seeking Status	Undergraduate	students who have been admitted to a baccalaureate degree program, but have not completed the requirements for the degree.
Degree Sought		The level of degree that will be awarded pending successful completion of the student's current degree program. See the Degree definition for additional details.
Delivery Method		A classification of a course based on the delivery of direct instruction as defined by the BOG.

Delivery Method	Distance Learning	Primarily Classroom Course - Less than 50% of the direct instruction of the course is delivered using some form of technology when the student and instructor are separated by time, space or both. This designation can include activities that do not occur in a classroom (i.e., labs, internships, practice, clinicals, labs, etc.).
Delivery Method	Full Distance Learning Course	Full Distance Learning Course - 100% of the direct instruction of the course is delivered using some form of technology when the student and instructor are separated by time, space, or both. All special course components (exams, internships, practice, clinicals, labs, etc.) that cannot be completed online can be completed off-campus.
Delivery Method	Hybrid Course	Hybrid Course - 50-79% of the direct instruction of the course is delivered using some form of technology when the student and instructor are separated by time, space or both.
Delivery Method	Primarily Classroom Course	Primarily Distance Learning Course - 80-99% of the direct instruction of the course is delivered using some form of technology when the student and instructor are separated by time, space, or both. There is a requirement for the student to attend campus or another explicit geographic location for a portion of the course.
Delivery Method	Primarily Distance Learning Course	Primarily Classroom Course - Less than 50% of the direct instruction of the course is delivered using some form of technology when the student and instructor are separated by time, space or both. This designation can include activities that do not occur in a classroom (i.e., labs, internships, practica, clinicals, labs, etc.).
Delivery Method	Technology Enhanced	
Delivery Method	Traditional	Primarily Distance Learning Course - 80-99% of the direct instruction of the course is delivered using some form of technology when the student and instructor are separated by time, space, or both. There is a requirement for the student to attend campus or another explicit geographic location for a portion of the course.
Delivery Method	Unspecified	
Department		List of all departments within college/school.

E

End of Term		Date period selected for comparison purposes which provides a snapshot of student data at the end of the term.
Enrollee Attributes		Student Level, Institutional Classification, Residency and International Flag
Enrollment Indicator		Students who have been admitted enrolled indicator.
Enrollment Indicator	Blank Value	
Enrollment Indicator	Not Registered	
Enrollment Indicator	Registered	

F

Facts		Consists of predefined aggregated and non-aggregated measures, metrics or facts of a business process.
Final Admission Action Bin		A categorization of the student's admission action
Final Admission Action Bin	Admitted	
Final Admission Action Bin	Not Admitted	
Final Admission Action Bin	Unspecified	
First Generation Status		Indicates student is first generation student
First Generation Status	First Generation Student	the student is the first in his/her family to attend a higher educational institution
First Generation Status	Not First Generation Student	Student is not first generation
First Generation Status	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
FIU 2.0		Indicator if student is in fully online program
Florida Counties		List of Florida Counties
Full-Time Equivalent (FTE)		FTE's are computed by dividing the sum of student credit hours taken during an academic year (Summer + Fall + Spring) by the appropriate level divisor. For undergraduate annual FTE's the divisor is 40. For graduate annual FTE's the divisor is 32.
Fundable Student Credit Hours (FSCH)		Student credit hours which the university receives funding from the state as measured from the three final Student Data Course File submissions to the BOG
Funding Status		Applied to student credit hours. If status is yes, this Indicates that the university receives state funding from the state as measured from the three final Student Data Course File submissions to the BOG. If funding is no, funding for the course is from non- university sources where substantially all the direct costs are paid by a sponsoring agency (Non-SUS) or students. No direct operational costs are provided by the University.
Funding Status	Fundable	University receives funding from the state
Funding Status	Non-Fundable	University does not receive funding from the state. Funding is from Non-University Sources where substantially all the direct costs are paid by the sponsoring agency (Non-SUS) or students. No direct operational costs are provided by the University.
Funding Status		A categorization of the student section funding flag into Fundable and Non-Fundable as it pertains to student credit hours.

G

Gender		Identifies the person by female or male classification.
Gender	Female	
Gender	Male	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Gender	Unknown	Student did not provide gender information.
Gender	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Graduate		A student who holds a bachelor's degree or above and is taking courses at the post baccalaureate level. These students may or may not be enrolled in graduate programs.
Graduated		The number of students in the cohort who graduated from the university.
Graduation Rate		Percentage of students from selected cohort who graduated (based on selected filter)

H

High School Education		High School information identified for those students who at their first entry to the institution were coming from a high school.
High School GPA		The high school grade point average upon which the student's application for admission is evaluated.
Highest Degree Held		Highest level of educational attainment that an individual has completed. See the Degree definition for additional details.
Highest Institutions		The reported highest level institution the student attended prior to enrolling at FIU.

I

Institution Granting Highest Degree		The post-secondary institution where the student received his/her highest degree.
Instruction Mode		Manner by which course instruction is delivered as defined by the University.
Instruction Mode	Face to Face (FTF)	Course instruction is delivered on campus, face to face
Instruction Mode	Hybrid	Course instruction is delivered online and on campus (face to face)
Instruction Mode	Online	Course instruction is delivered online.
Instructional Mode Bin		Manner by which course instruction is delivered
Instructional Mode Bin	Face to Face (FTF)	Course instruction is delivered on campus, face to face
Instructional Mode Bin	Hybrid	Course instruction is delivered online and on campus (face to face)

Instructional Mode Bin	Online	Course instruction is delivered online.
Instructor		Academic personnel of a university. Position assigned the principal responsibility of teaching, research, and public service activities or for administrative responsibility for functions directly related to the academic mission. (Note: Only primary instructors are listed)
Instructor Biographic & Demographic		Instructor's biographic and demographic information.
International Status		Indicates student is international.
International Status	International	Student is on a visa .
International Status	Non-International	Student is not on a visa .

L

Last Institution Attended		Listing of top 10 institutions last attended by selected student population
Last Post-Secondary Education		The student's most recent post-secondary educational training previous to this institution.

M

Mailing Information		Preferred mailing address.
Military Status		On the Admissions submission this is a self-reported response to the admission application Veteran Status question.
Military Status	Active Duty Personnel	
Military Status	Eligible Dependent	
Military Status	National Guard	
Military Status	Reservist	
Military Status	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Military Status	Veteran (service dates unknown)	
Military Status	Veteran Service on or after 9/11/2001	
Military Status	Veteran Service prior to 9/11/2001	
Month		Date period selected for comparison purposes which provides a snapshot of student data at the end of the term.

N

Non-Aggregated Values		Values available for calculations but can't be aggregated to avoid duplication.
Non-degree Seeking Student		A student enrolled in courses for credit who is not recognized by the institution as seeing a degree or formal award.
Non-Fundable Student Credit Hours (NFSCH)		Student credit hours which the university receives no funding from the state as measured from the three final Student Data Course File submissions to the BOG

P

Pell Status		Identification of specific financial aid program from which the student has received an award. Indicates If student had Pell at any point in time.
Pell Status	No PELL	Non-recipient
Pell Status	PELL	Recipient
Previous Institutions		The institutions the student attended prior to enrolling at FIU.
Program Characteristics		Strategic Emphasis Status, Program Category, FIU 2.0 Status, CE Program Status, Academic Program Category

R

Race/Ethnicity		Categories used to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. A person may be counted in only one group.
Race/Ethnicity	African American	
Race/Ethnicity	American Indian / Alaskan Native	
Race/Ethnicity	Asian Or Pacific Islander	
Race/Ethnicity	Hispanic	
Race/Ethnicity	Non-Resident Alien	
Race/Ethnicity	Not Reported	Race/Ethnicity was not reported.
Race/Ethnicity	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Race/Ethnicity	White	
Reporting Term	yyyymm	Six digit term description i.e. 201601
Retained		The number of students in the cohort who are enrolled during subsequent fall terms.

S

School		A school usually belongs to a college and contains many departments.
Semester	Fall, Spring, Summer	A defined period of time when a course is offered within an academic year
States		List of states in the United States of America.
Strategic Emphasis Status		Academic programs which are identified (by their CIP) to better align the degree production goals of the State University System with the economic workforce needs of Florida.
Strategic Emphasis Status	Non-Strategic Emphasis	Programs not of strategic emphasis
Strategic Emphasis Status	Strategic Emphasis: Non-STEM	Education, Health, Gap Analysis, Global Competitiveness
Strategic Emphasis Status	Strategic Emphasis: STEM	Science, Technology Engineering, and Math
Student Admit Type		Type of student at time of Application
Student Admit Type	CC Transfer	Transfer From Florida College System
Student Admit Type	Dual Enrolled	Secondary school student, dually enrolled in this college prior to high school graduation.
Student Admit Type	FTIC	For the purposes of this regulation, FTIC freshmen are defined as students who have earned a standard high school diploma from a Florida public or regionally accredited high school, or its equivalent, and who have earned fewer than twelve (12) semester hours of transferable college credit since receiving a standard high school diploma or its equivalent.
Student Admit Type	Graduate	A student who holds a bachelor's degree or above and is admitted to a graduate program.
Student Admit Type	Non Degree	Not formally admitted and thus is not degree seeking.
Student Admit Type	Other Transfer	Transfer from private or foreign institution
Student Admit Type	Second Bachelors	A student who holds a bachelor's degree or above and is admitted to a second baccalaureate.
Student Budget Entity		See Budget Entity.
Student Campus		The students' campus is determined by their academic plan.
Student Characteristics		See Enrollee Attributes
Student Classification		The categorization of the students' progress at the beginning of the term toward a specific degree or certificate as it applies to allocation of resources within the State University System.
Student Classification	First Professional	
Student Classification	Freshman	Students who have earned fewer than 30 semester hours.

Student Classification	Graduate	An award that requires the successful completion of a program of study of at least the full-time equivalent of 1 but not more than 2 academic years of work beyond the bachelor's degree.
Student Classification	Junior	Students who have earned at least 60 semester hours but fewer than 90 semester hours.
Student Classification	Non-Degree Seeking	Non-degree seeking student.
Student Classification	Senior	Students who have earned 90 or more semester hours but who have not earned a baccalaureate degree.
Student Classification	Sophomore	Students who have earned at least 30 semester hours but fewer than 60 semester hours.
Student Classification	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Student Classification Level		The categorization of the student's progress at the beginning of the term toward a specific degree or certificate as it applies to allocation of resources within the State University System.
Student Classification Level	Graduate I	a graduate student who has been formally admitted to a graduate program but who is to an advanced graduate student (includes Law Masters).
Student Classification Level	Graduate II	is a graduate student who has been formally admitted to a recognized Doctoral or Post-Master's degree program who has accumulated 36 or more semester credit to a recognized Doctoral or Post-Master's degree program who has accumulated 36 or more semester credit hours toward his or her degree program or has a Master's degree. Includes Law and Medicine.
Student Classification Level	Non-Degree Seeking	A student enrolled in courses for credit who is not recognized by the institution as seeing a degree or formal award.
Student Classification Level	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Student Classification Level	Upper Division	a student who has earned 60 or more semester credit hours or has an Associate of Arts degree, or who is working toward an additional Baccalaureate
Student Classification Level Bin		A categorization of the student's classification level
Student Classification Level Bin	Graduate	Students in a bachelor's degree program (includes academic levels: freshman, sophomore, junior and senior).
Student Classification Level Bin	Non-Degree Seeking	Non-Degree Seeking student
Student Classification Level Bin	Undergraduate	Students in a bachelor's degree program (includes academic levels: freshman, sophomore, junior and senior).

Student Classification Level Bin	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Student Credit Hours (SCH)		A measure which is equal to the product of the number of students enrolled in a course section times the number of credit hours for the section.
Student Fee Classification	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Student Fee Classification	Florida Resident - Special Category (USA or Non-USA)	
Student Fee Classification	Florida Resident (USA)	
Student Fee Classification	Non-Florida Resident (USA)	
Student Fee Classification	Non-Resident Alien (Non-USA)	
Student Fee Classification	Resident Alien, Florida Resident (Non-USA)	
Student Fee Classification	Resident Alien, Non-Florida Resident (Non-USA)	
Student Fee Classification	Unspecified	
Student Fee Classification		
Student Fee Classification Bin		A categorization of the student's fee classification
Student Fee Classification Bin	Florida Resident	
Student Fee Classification Bin	International Students	
Student Fee Classification Bin	Non-Florida Resident	
Student Origin		Student's place of birth if born outside of the US; otherwise, place of permanent residency
Student Program Category		The categorization of the student based on their academic plan and academic sub-plan. This categorization may change based on the student academic plan mobility.
Student Program Category	Dual Enrolled	Secondary school student, dually enrolled in this college prior to high school graduation.
Student Program Category	FIU 2.0	Students admitted in an Academic Plan categorize as FIU 2.0
Student Program Category	Graduate I	a graduate student who has been formally admitted to a graduate program but who is to an advanced graduate student.
Student Program Category	Graduate II	is a graduate student who has been formally admitted to a recognized Doctoral or Post-Master's degree program who has accumulated 36 or more semester credit to a recognized Doctoral or Post-Master's degree program who has accumulated 36 or more semester credit hours toward his or her degree program or has a Master's degree.
Student Program Category	Law	Students admitted in a Law academic plan
Student Program Category	Lower Division	a student who has earned less than 60 semester hours

Student Program Category	Market Rate	Non-FTE generating BOT-approved degrees set at a rate driven by market-value/non-FTE degrees set at a rate that covers all costs associated with offering the program. Credit hours generated are non-state fundable and the cost for the program of study recovered from the fees charged to all students.

Student Section Funding Flag		Indicates whether or not a course is state funded.
Student Section Funding Flag	Credit By Exam	
Student Section Funding Flag	Fee Deferment Default Or Cancelled Non-Payment	
Student Section Funding Flag	Funded From Non-University Sources	
Student Section Funding Flag	Funded Through Florida International University	
Student Section Funding Flag	Medical/Professional Non-Fundable	
Student Section Funding Flag	Military	
Student Section Funding Flag	Non-Candidate Doctoral Research	
Student Section Funding Flag	Non-Fundable Student Funded	
Student Section Funding Flag	Non-Fundable, Repeat Surcharge Applied	Included in the University FTE calculations
Student Section Funding Flag	Non-Resident Profile Assessment	

Student Section Funding Flag	Not Applicable Toward Any Degree	
Student Section Funding Flag	Over 5 Hours Supervised Teaching/Research	
Student Section Funding Flag	Remedial (below college level)	
Student Section Funding Flag	State Fundable	Included in the University FTE calculations
Student Section Funding Flag	Student Enrolled for Audit	
Student Section Funding Flag	SUS or State Employee Fee Waiver Course	
Student Section Funding Flag	Unspecified	
Student Type		Type of student at time of Application/Registration/Recent Admission.
Student Type	Dentistry	
Student Type	Doctorate of Nursing Practice	
Student Type	Doctorate of Physical Therapy	
Student Type	Dual Enrolled	Secondary school student, dual enrolled in this college prior to high school graduation.
Student Type	Early Admit, Prior to High School Graduation	
Student Type	External Degree	
Student Type	FTIC	Students who have earned a standard high school diploma from a Florida public or regionally accredited high school, or its equivalent, and who have earned fewer than twelve (12) semester hours of transferable college credit since receiving a standard high school diploma or its equivalent.
Student Type	Graduate	A student who holds a bachelor's degree or above and is admitted to a graduate program.
Student Type	Law	
Student Type	Medicine	
Student Type	Non-Degree Seeking	Not formally admitted and thus is not degree seeking.
Student Type	Other Undergraduate Transfer	Transfer from private or foreign institution.
Student Type	Pharmacy First Professional	
Student Type	Post Baccalaureate, Degree Seeking Student	A student who holds a bachelor's degree or above and is admitted to a second baccalaureate.
Student Type	Post Baccalaureate, Non-Degree Seeking Student	
Student Type	Transfer From Florida College System	
Student Type	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Student Type	Veterinary Medicine	
Student Type Bin 1	External	External Degree

Student Type Bin 1	External	External Degree
Student Type Bin 1	First Professional	Dentistry, Law, Medicine, Pharmacy First Professional, Veterinary Medicine
Student Type Bin 1	Graduate	Doctorate of Nursing Practice, Doctorate of Physical Therapy, Graduate
Student Type Bin 1	Graduate	Graduate, First Professional
Student Type Bin 1	Non-Degree Seeking	Non-Degree Seeking Students, Second Bachelors - Non-Degree Seeking Student
Student Type Bin 1	Non-Degree Seeking	Non-Degree Seeking student
Student Type Bin 1	Undergraduate	Includes Student Type FTIC, Early Admit, Prior to High School Graduation, Dual Enrolled
Student Type Bin 1	Undergraduate	Undergraduate, Undergraduate Transfer
Student Type Bin 1	Undergraduate Transfer	Transfer From Florida College System, Other Undergraduate Transfer, Second Bachelors
Student Type Bin 1	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Student Type Bin 1	Unspecified	A temporary value assigned to a data element which will be resolved before the final files are submitted to the State.
Student Type Bin 1		Categorized the type of student at time of admission/registration/recent admission
Student Type Bin 2		Further categorized the Student Type
Student Type at Entry		Type of student at time of first registration for credit courses at this institution.
